Dear Parents/Carers,

Our children will be drawing their own self-portraits this week in school. This will be added to a class tea-towel which will be available to purchase through MyChildsArt if you wish to. There are other items available with your child's self portrait on too. 20% of all purchases will go directly to the school. We can't wait to share photos of the new playground equipment we've ordered thanks to the money raised from the Christmas art and pumpkins. Look out for a leaflet and sticker coming home with your child in the next few weeks. <https://mychildsart.co.uk/.../teatowels/products-and-prices/>

Kind regards.
